

## Postal Rate Commission

## § 3002.1

Service Agreement previously recommended by the Commission and currently in effect. The previously recommended Negotiated Service Agreement shall be referred to as the baseline agreement. The purpose of this section is to establish procedures that provide for accelerated review of functionally equivalent Negotiated Service Agreements. The Postal Service request shall include:

(1) A detailed description of how the proposed Negotiated Service Agreement is functionally equivalent to the baseline agreement;

(2) A detailed description of how the proposed Negotiated Service Agreement is different from the baseline agreement;

(3) Identification of the record testimony from the baseline agreement docket, or any other previously concluded docket, on which the Postal Service proposes to rely, including specific citation to the locations of such testimony;

(4) All available special studies developing information pertinent to the proposed Negotiated Service Agreement;

(5) If applicable, the identification of circumstances unique to the request; and

(6) If applicable, a proposal for limitation of issues in the proceeding, except that the following issues will be relevant to every request predicated on a functionally equivalent Negotiated Service Agreement:

(i) The financial impact of the Negotiated Service Agreement on the Postal Service over the duration of the agreement;

(ii) The fairness and equity of the Negotiated Service Agreement in regard to other users of the mail; and

(iii) The fairness and equity of the Negotiated Service Agreement in regard to the competitors of the parties to the Negotiated Service Agreement.

(b) When the Postal Service submits a request predicated on a functionally equivalent Negotiated Service Agreement, it shall provide written notice of its request, either by hand delivery or by First-Class Mail, to all participants in the Commission docket established to consider the baseline agreement.

(c) The Commission will schedule a prehearing conference for each request.

Participants shall be prepared at the prehearing conference to address whether or not it is appropriate to proceed under § 3001.196, and to identify any issue(s) that would indicate the need to schedule a hearing. After consideration of the material presented in support of the request, and the argument presented by the participants, if any, the Commission shall promptly issue a decision on whether or not to proceed under § 3001.196. If the Commission's decision is to not proceed under § 3001.196, the request will proceed under § 3001.195.

(d) The Commission will treat requests predicated on functionally equivalent Negotiated Service Agreements as subject to accelerated review consistent with procedural fairness. If the Commission determines that it is appropriate to proceed under § 3001.196, a schedule will be established which allows a recommended decision to be issued not more than:

(1) 60 days after the determination is made to proceed under § 3001.196, if no hearing is held; or

(2) 120 days after the determination is made to proceed under § 3001.196, if a hearing is scheduled.

**§ 3001.197 Requests to renew previously recommended Negotiated Service Agreements with existing participant(s). [Reserved]**

**§ 3001.198 Requests to modify previously recommended Negotiated Service Agreements. [Reserved]**

### § 3002.2 Statutory functions.

(a) *Areas of jurisdiction.* The Commission has jurisdiction over changes in postal rates and fees under 39 U.S.C. 3622, and over mail classifications under 39 U.S.C. 3623. It issues recommended decisions to the Governors of the Postal Service on these matters. It also acts on postal patrons' appeals from Postal Service decisions to close or consolidate post offices under 39 U.S.C. 404(b). Further, the Commission investigates complaints of substantial national scope concerning postal rates, fees, mail classifications or services under 39 U.S.C. 3662. It also responds to requests of the Postal Service for advisory opinions on changes in the nature of postal services under 39 U.S.C. 3661. Because of the Commission's expertise, Congress occasionally asks it to undertake special studies on postal issues.

(b) *Public participation.* Interested persons may elect to participate in Commission rate and mail classification proceedings as formal intervenors (§3001.20), limited participators (§3001.20a), or commenters (§3001.20b). Interested parties who believe the Postal Service is charging rates which do not conform with the policies of the Postal Reorganization Act, or who believe that they are not receiving postal service in accordance with the policies of title 39, may lodge a complaint with the Commission under section 3001.82. Persons served by post offices that the Postal Service decides to close or consolidate with other post offices may appeal such determinations under §3001.111.
